

Ball Girl / Boy Duty Guide

What & When

Junior teams (U14) to support Men`s and Women`s Premier League (not Reserves) home games by **providing ball girl & ball boy resources.**

Who & Responsibilities

Roster Co-ordinator:

- Will setup the roster of when ball girl / boy duty is required based on HV fixtures.
- Will assign a team to each game (girls to the women`s matches, boys to the men`s matches).
- Will send roster with assigned teams to games, to all U14 Team Managers so they can ask for individual volunteers.
- Notes down individual names, received from Team Managers, to the games
- Note: only U14 teams are to be rostered on, U10 & U12 players are considered too young to undertake this activity. Many U16s are also playing seniors so they are generally not rostered.
- Note: 4 girls and 4 boys are needed for each game.
- Note: Waverley home ground games only unless advised.

Team Manager:

- Will work with the Roster Co-ordinator to ensure each team does volunteer to support the ball girl / boys duties as assigned.
- Will email all volunteer names to the Roster Co-ordinator in advance so that a full list for the season is available to the club
- It is the Team Manager`s responsibility to work out who is covering and how this is shared across the team.
- It is also the Team Manager`s responsibility to remind volunteers in the lead up to their volunteering slot (eg.. remind them via email or text).
