## President's Report

Welcome to the Waverley Hockey Club 2021 Annual Report.

### *On the Pitch*

Preseason 2021 saw a level of acceptance to the “new normal” with players signing in to the facility each training session, club rooms remaining closed, limited access to the changerooms due to density limits and Club Executive & Unit meetings continuing primarily online via Zoom.

The Executive anticipated ongoing restrictions and potentially lockdowns so we continued to include COVID as a major agenda item for all meetings. Despite the cost impact on the Club we took the decision to install marquees as alternate changerooms, large enough to allow a whole Premier League team and support staff to meet together pre and post games. This initiative was supported by Hine Party Hire providing us a discount for the marquee hire. Despite this generous support, additional costs relating to COVID, including the marquees, and additional cleaning, have impacted the Club's plan to progress with our new Dugouts and Technical bench facility development which was postponed for another year.

The first half of the season saw multiple Premier League home games and it was fantastic to see so many club members and family & friends come along to support the teams out on the pitch. Unfortunately, due to Covid restrictions the season was initially suspended and eventually abandoned.

Even though the season was cut short we did see many achievements in 2021 including several teams finishing top of the ladder after 9 rounds of seniors and 7 rounds of juniors. Whilst HV are not awarding premierships this year we are still claiming minor premiers for 6 of our teams!!

- Women's Pennant E
- Men's Pennant E
- Men' Mid week Open A
- Men's Masters D 45+
- U14 Mixed District
- U12 Shield A Girls

Congratulations to all players! Full results for all teams can be seen in the individual Unit reports.

### *Another year of dedication from our loyal volunteers*

A number of people worked tirelessly in 2021 to ensure that the Club continued to operate, not only to get teams on the pitch, but to manage the ever increasing behind the scenes requirements, especially in terms of governance and reporting requirements with key stakeholders including Monash Council and Hockey Victoria.

Many of the volunteers are acknowledged in the individual Unit reports below, but I would like to thank in particular the following people -

- **Diana Hansen:** Di's passion is the Diversity, Inclusion and Well-being committee, as well as the Women's Unit Committee, but much of her time this year was taken up as our Covid

lead. With constantly changing rules and restrictions this was a thankless task and we should all be very grateful to Di!

- **Emma Wong:** Emma took on the role of Executive Secretary again, a Social Committee member and a member of the Women's Committee
- **Mrudula Rao:** Mrudula was the Executive Treasurer, steering us through a second challenging year in terms of Club finances
- **Ally Rake Bolt & Geoff Greaves:** Ally led the Women's Unit and Joffa the Men's Unit, in roles more focused on dealing with the ups and downs of Covid than they signed up for, they did a great job steering the senior units through the season.
- **Richard Steers:** Richard again took on the role of Communications, working to build our social media presence and sending out more communication on Covid than he would have liked!
- **Nick Gerling:** Nick was yet again Assistant Treasurer, Senior Registrar, Junior Registrar, key bill payer and all-round master of our data.
- **Brett Thompson, Drew Ashton & Roger Andrews:** making up the Future Facilities committee Brett, Drew and Roger continued all year to work on building relationships with all levels of government pushing forward our second pitch project.
- **The Social Committee** (Chair – Brooke Ryan) a frustrating year with many events planned and cancelled but one large, very successful event was run, raising money for the Club and a great night (by all accounts!!).
- **Lachlan Steinfort:** who provided support behind the scenes on many policies, LEC review, Monash Council lease review and other topics.

We invite all members to consider what role you are able to play in our Club on or off the field. Umpiring, coaching and team managing are all great ways to contribute on field and off field there are many jobs including small ones that we would love more volunteers to help run the club. Volunteer roles range from small ones such as helping out with social media communication, ordering uniforms, helping to manage rosters, to full committee roles. We have roles for people who can help with marketing, with sponsorship, with financial management, with administration, with organizing events, with writing grant material and many, many more! Please let us know if you are able to provide your time to support the club in 2022.

## *Club Financials*

A full financial report is included in this document however I would like to highlight to members that playing fees are important to the financial viability of the Club and in 2021 we have had significant fees outstanding. Whilst the Executive understands some members have faced financial hardship it is disappointing that many members have needed to be chased over and over again by volunteers, and in some cases these volunteers have been abused for their efforts.

Costs incurred by the Club to ensure its viability as an ongoing concern and to provide year-round services to our members include (but are not limited to) preseason training over summer, training throughout the season, provision of the Club facilities including the hockey pitch and the provision of summer hockey and other programs. Despite the cancellation of the hockey season the majority of our costs have continued (or have not been refunded). In 2021 we also incurred additional and unexpected costs as a result of Covid, for example we spent \$5,000 hiring marquees in order to provide members and visiting teams access to a space to meet prior to a game as our change rooms were only rated for 5 or 9 people (depending in square meter rule at the time).

# Waverley Hockey Club Annual Report | 2021

---

Whilst the majority of our costs continued to be incurred in 2021, the Club has not received non-hockey sources of revenue such as social event income, sponsorship income and Club days canteen and bar income. This revenue has historically assisted the Club to meet the costs associated with maintaining our facilities such as hockey pitch repairs. This has helped keep membership fees lower than they would need to be to cover these expenses. As we head into 2022 we continue to pay off our loan for the last pitch resurface, as well as facing the need to build a sinking fund (new requirement from Monash City Council) to ensure we have the funds available for pitch repairs, pitch replacement and other facilities including lights and dugouts.

## *Hockey Victoria & Monash City Council*

Thank you to the members across the club who supported two major activities in 2021. Firstly, the Hockey Victoria review of the League Entry Criteria which was an extensive process, with an initial proposal of significant change, much of which raised concerns for Waverley Hockey Club in terms of both on field and off field criteria. The extensive feedback we provided enabled Hockey Victoria to refresh their approach and the latest version is now more in line with our suggestions.

Monash City Council kicked off the process to negotiate a new lease for our facility and Karen Armstrong and Lachlan Steinfort in particular have provided support for this process which is still underway.

## *Sponsorship, Donations & Grants*

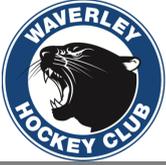

A small group took on the task of trying to grow our sponsorship, donations and grants in 2021. Some progress was made but with each person double / triple hatting in other roles we all agree a lot more can be done in future years with a new structure enabling more focus on these areas.

Select Sports (Just Hockey) and Kookaburra supported us again in 2021 as major sponsors providing cash and equipment. Hine Marquees also came onboard providing a marquee for the BBQ area as well as a significant discount for the two large marquees we hired for the whole season. Bendigo Bank also continued their support providing funds for three projects; Closest to the Pin (game for kids at Premier league games), kitchen equipment and a Waverley Hockey Club branded marquee for the BBQ for use in 2022.

We also ran a Gin drive with Grassroots Distilling designing our own label "Ginbirra". We sold 48 bottles and got some great feedback on the gin so hope to do this again in 2022. We applied for several Covid related grants and were successful in receiving two \$1000 government sports fund grants plus a \$2000 cleaning grant.

## *Major projects*

Despite many setbacks the Future Facilities committee (Brett, Drew and Roger) worked tirelessly all year, building relationships with all levels of government pushing forward our second pitch project.

# Waverley Hockey Club Annual Report | 2021

---

At the City of Monash council meeting on 31 August, 2021 the following resolutions were passed and agreed upon. These include:

- City of Monash to find a suitable site for relocating the Victorian Sikh Association to meet its needs and future growth.
- Federal/State Government assist with costs associated with VSA finding a new home and upgrading existing facilities at the new site or build a new facility.
- Federal/State Government to assist with costs associated with Waverley Hockey club expansion plans including a 2nd hockey pitch.

## Life Members

At the 2019 AGM a change to the Constitution was ratified allowing the addition of the ability to award Life Membership retrospectively to a maximum of one person per year as follows -

1. "If it can be shown that members met the criteria during a year in which no life membership was previously awarded and should be considered for life membership in retrospect this may be proposed to the members for consideration at the next Annual General Meeting (or Special General Meeting) of the Club.
2. Only one such nomination may be made in any one year. Up to two life members may be elected at an Annual General Meeting (or Special General Meeting); one for that current calendar year and one under the retrospective category as noted above."

Following this change we were able to ratify two Life Members at the 2020 AGM.

The first one, Bruce Morley, was ratified in retrospect for the year 1991. Bruce has been a playing and social member of the Club for many years, key achievements include:

- Club President 1978/79 to 1982/83
- Men's President 1988
- Coach and Manager of numerous Junior and Senior teams
- Involvement in running Indoor teams, getting more kids involved in indoor and also the annual trip to WA to sister club for indoor
- The recruitment of John Mowat to Waverley as Club Coach and the Club's first two State League One Premierships in 1981 and 1983
- Planning & negotiation with the Monash City Council and fund raising to support the various upgrades of Electra Ave and the Winbirra Parade
- As well as roles with the Victorian Hockey Association and Australian Hockey association

The second one was Brian Maddock, ratified for year 2020. Brian started playing for the club in 1973 and has been playing ever since, his key achievements include:

- First record of volunteering is as canteen manager in 1982 and Brian has been volunteering ever since including:
  - Canteen Manager at Electra and Winbirra Ave
  - Social convenor and Presentation night co-ordinator
  - Men's Unit Secretary
  - Junior indoor co-ordinator
  - WHC photography & FB posts

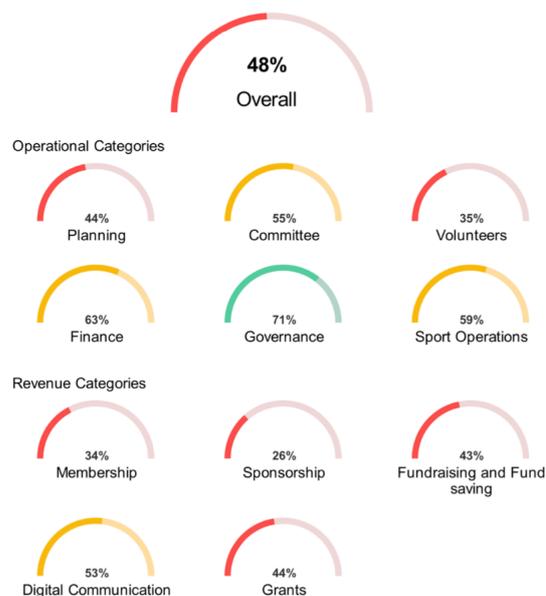

- Hotshots team manager & Hotshots selector
- WHC 50th Anniversary organiser along with his wife Bronwyn Maddock
- Historical Committee member
- 10 years + of Junior team coaching
- 5 years + as a Team manager across senior and Junior units
- 10 years + as an umpire
- Founders Award - 1984
- Brian is the ultimate example of life long support for our Club

## Founders Award

The 2021 winner of the Founders Award is Mel Koelmeyer. Mel has been a huge support to both the women's unit and the junior unit for a long time. In terms of the Junior Unit Mel has taken on on-field coaching and off-field administrative roles year after year, always being willing to jump in and help no matter the task. At the same time, she has also supported the Women's unit as Premier League Assistant coach for 2 years as well as helping with coaching and development of Pennant A and PLR players for several years. Mel is always at key volunteering events such as working bees and club functions and is someone that will always put their hand up to help out. Congratulations Mel, and thankyou!!

## Strategic Planning

### HEALTH CHECK ASSESSMENT

In 2021 the Executive Committee undertook a strategic review of the Club with a company called ClubMap which started with a "health check assessment".

The summary results from the health check assessment can be seen to the left. Whilst many factors may appear low in assessment score ClubMap assured us this is quite normal for Community sporting clubs and we have some good foundations off which to grow.

# Waverley Hockey Club Annual Report | 2021

Following the Health Check a strategic planning workshop was held to which 34 members, representing all areas from across the Club were invited to participate. A full report was developed post this workshop with key focus areas outlined below.

Club Mission, Vision and Values were discussed and a draft revised position on each of these was developed for further discussion with any interested members – see below.

## CLUB MISSION, VISION & VALUES (DRAFT)

### VALUES | What's important to us? What behaviours do we expect?

**RESPECTFUL** | To respect every person and organisation that we interact with and in turn, to earn the respect of others for all that we do as individuals and as a club.

**INCLUSIVE** | To be welcoming & understanding to participants, volunteers & stakeholders from diverse backgrounds. We collaborate throughout our club.

**PROUD** | To recognise and celebrate our history and to behave in a manner that reflects pride in our club and ourselves.

**PROFESSIONAL** | To be a professional organisation adhering to high standards reflected by our appearance, actions and attitude. We constantly strive for improvement and aspire to be innovative and successful while always working within the rules.

**ENJOYMENT** | To enjoy our time together, be positive in what we do and provide a family friendly environment in which to celebrate our success with all stakeholders.

### MISSION | Why we exist? What's our purpose?

The Waverley Hockey Club seeks continual improvement - striving for best future facilities, closer links to community, great value for sponsor partnerships, and to provide a supportive, tolerant and inclusive environment for our participants, members, guests, administrators and volunteers to achieve their full potential, both in house & the local community.

### VISION | What do we want to be?

To continue to grow into a destination club in the area due to our unrivalled local reputation. This reputation is based on quality programs and development, efficient management, a strong family based culture and our club's long standing commitment and contribution to the local community.

Three detailed plans were also developed and are summarised in the image below:

- Strategic Plan – with a 5-year focus these are the big topics that will ensure we are a strong Club well into the future
- Operational Plan - outlining key priority areas for the coming twelve months
- Revenue Plan – a key feature of the workshop we learnt about many alternative options to traditional revenue activities, as well as having ongoing access to Clubmap's resources to help us build our revenue to secure our Clubs' future

**President - Nikki Gerling**

## Diversity, Inclusion and Welfare

Following its establishment in 2020, the diversity, inclusion and welfare (DIW) subcommittee aimed to continue working towards the action plan set up last year with the following priority areas: 1) improve recruitment and retention of female members; 2) improve governance processes; 3) celebrate women's and men's rounds and 4) organise and run our first WHC Indigenous Round. Although some of those activities were completed, like in 2020 some aspect of our proposed plan could not go ahead due to lockdowns, spectator restrictions and finally the cancellation of the winter season in response to the COVID-19 pandemic. We remain confident that as vaccine rollout improves, and a large proportion of our population is protected from COVID-19, we will be in a position deliver those items in 2022.

### *Improving recruitment and retention of female members*

In 2019, our Women's unit submitted secured funding from the Victorian Government under the umbrella of the Change our Game Program. The funds that we raised were used to setup the Women Hitting it up (WHIP) program, which had two main components 1) attract new women to hockey to increase our membership and to improve participation of ladies in the sport and 2) improve the experience of existing Waverley members. This activity, which started in 2020 could not be completed last year due to lockdowns. We successfully negotiated extending the funding period over 2021, which allowed us to set up a new WHIP program in February-March, this time featuring two different levels: one for beginners and a second one targeting Pennant level players, who were hoping to have a skill refresher after an extended absence from the hockey grounds in 2020. This strategy, that was designed to improve not only recruitment but also retention of existing players, allowed the Women's Unit to field three Pennant and a Metro team for the winter season, in addition to our Premier League and Premier League Reserve squads.

### *Improve our governance processes*

We began by revising the Club's Code of Conduct, reflecting our diversity and inclusion action plan and noting required changes in relation to behaviour on social media.

### *Celebrate Women's & Men's round*

Our club joined the Breast Cancer Network fundraiser for Women's round. In the context of this fundraiser, both our Premier League, Premier League Reserves and U16 shield teams wore pink socks for their games. A group of Waverley Executive and Senior Coaches attended the Women and Girls Breakfast, which this year featured our very own Stacia Strain as one of the keynote speakers. For Men's round, the majority of our teams were fixtured for away games. Our Women Pennant E team, which played at Hedley Hull, participated in the Beyond Blue fundraiser and our ladies wore the blue socks for their game.

### *Organise and run our first WHC Indigenous Round*

Our subcommittee was successful at attracting grant funding from the Monash Council to support the organisation of our first WHC Indigenous Round. We had a range of activities planned including, celebratory socks, a visit from Elders for a Welcome to Country and a Smoking Ceremony. Sadly, this

activity had to be postponed again but we remain confident that we will be in a position to deliver this round in 2022.

I would like to acknowledge the contributions by all members of the DIW Sub-committee, Erica Zhou, Caley Manzie, Vittoria Tsam, Liza Greaves and Lachlan Steinfort, whose hard work guaranteed the delivery of our action plan during another challenging year.

## Our response to SARS-Cov-2 pandemic

After 2020, in which no hockey could be played due to the COVID-19 pandemic, Waverley HC prepared for a 2021 season with restrictions and disruptions. Despite small outbreaks in late January-February, Hockey Victoria successfully managed to run indoor Club Championships, with no spectators. All teams that entered the competition were accompanied by team managers, briefed to keep our teams safe throughout the duration of the tournament.

In February, when local transmission rates declined, we were in a position to start pre-season training in preparation for the winter season. Our COVID-safe plan had to be adjusted multiple times in response to fast-changing government guidelines, on face mask use, spectator numbers and density quotas in different areas of the club. We realised very early that changeroom usage would be challenging, allowing no more than 5 to 9 players at the time. To facilitate team preparation before games, our club hired two big marquees (one for Waverley and the second one for visitors), which allowed us to keep our squads together under a roofed area and comfortably prepare for games.

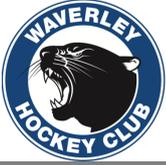

Other measures implemented to keep our WHC community safe included:

- Preparation of a thorough *COVID safe plan* including full guidelines on risk management, hygiene measurements, training protocols, density quotas and movement in and out of the venue.
- Usage of the Victorian sign-in QR code system.
- Provision of equipment usage and disinfection guidelines.
- Provision of signage indicating safety measurements in place and density allowance.
- Provision of multiple hand-sanitizer stations and social distancing signage across different areas of the club.

Our club successfully managed to support junior, senior and master seasons, no without disruptions due to emerging outbreaks until round 11. The high local transmission rates and the implementation of a hard lockdown from early August onwards resulted first in cessation of activities followed by Hockey Victoria announcement of abandoning the 2021 Winter Season.

As we prepare to re-open after vaccination milestones are achieved in November, we are excited about bringing our community together again. We are conscientious of the challenges ahead of us for summer hockey and the 2022 winter season. Waverley Hockey Club strongly recommends all members to get vaccinated and if you still have not received vaccination, have a conversation with your health practitioner about the benefits of a COVID-19 vaccine.

**Diana Hansen, Head of Diversity, Inclusion and Welfare**

## Men's Unit Report

What a year 2021 was. Coming out of Season 2020 having played virtually no hockey all year, 2021 pre-season was well attended and saw players revved up and raring to go. Most players returned to the Panther Pride and it was great to be able to play regular hockey again, once the season kicked off. Unfortunately, that pesky Covid returned a number of times during the year, ultimately ending the season with some teams in very good positions to fight for a flag.

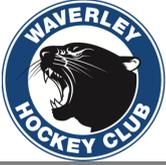

At the abrupt conclusion of Season '21, two of the Men's teams were sitting at the top of their respective ladders and, although not official, finished minor premiers in our eyes. Congratulations to the Men's Pennant E side for picking up what turned out to be the season winning result, jumping to the top of the table in the last game of the year. The Men's Midweek Masters 35 team continued their run of good results, topping the table despite having to run around against the young guys in Open A Grade.

In another highlight for the season, a new initiative saw Dwayne Rabel take the helm of our Metro B side. The focus was on developing greater connections between juniors not looking to play at high Pennant or Premier League level but continue playing in the Senior Unit. The team was a good mix of junior players, guided by Dwayne and his team of mentors. I'm looking forward to seeing the results of this collaboration, providing younger members with a way of continuing their hockey after the conclusion of their junior years.

Sitting at the helm of the Men's Unit makes me appreciate all of the hard work and dedication that the volunteers of this club put in week in week out to get players out onto the pitch. First and foremost, the coaches, managers and other volunteers that are there for training and match day duties. Thank you for putting in countless hours behind the scenes, selecting teams, planning sessions, working on team strategies and all of the other work necessary to run this great game. I would like to make special mention of Andrew Shelton, Brett Thompson, Tim Thompson and Matt Barca who have steered the ship of the top three teams for the past three seasons. Their work was greatly valued by me and the stability allowed the teams to flourish under their watch. They have all decided to move onto other roles and responsibilities, both within and outside of the club and I wish them well.

The Men's Committee this year consisted of Matt Barca, Julius Gottstein and me. Thank you to both Matt and Julius, it was a tough year, with inconsistent circumstances around games. These two provided the core of work around training and match day, allowing me to focus on other administrative duties. It was great to be able to reach out and know that they could look after the players with any request that I or the committee had. I will be stepping out of the Men's President role for next year, pursuing other roles within the club. I look forward to seeing how the work of the newly proposed Hockey Director role can further align the units and modernise the work of our beloved club.

Finally, I congratulate Michael Orleib on winning the Best Contribution to the Men's Unit award. He is a quiet achiever and was always willing to help out by doubling up, doing extra training sessions and pitching in where he could with little fanfare. Well done Michael.

## State and National Representatives

### HC Melbourne

Lewis Matthews  
Damon Steffens  
Lachlan Steinfort

### HC Melbourne Emerging

Lachlan Gerling 2021/22 (& Season 20/21 - announced following the release of last year's report)  
\*Remy Newstead (Season 20/21 - announced following the release of last year's report)

### Under 21 Men's State Squad

Liam Daley  
Lachie Gerling  
Lucas Gonez

## Team Reports

### Premier League

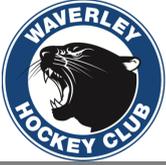

Coach: Andrew Shelton  
Assistant Coach: Brett Thompson  
Manager: Navin Jordan  
Captain: Damon Steffens & Lachie Steinfort

2021 turned out to be another disappointing year with Covid seeing the cancellation of another season. That said, when the season was called off, the Premier League men were sitting in 5th position and were building really well into what was the upcoming finals series, and I believe we were very well placed to contend and get ourselves into a grand final. There were some great positives and things to be excited about for next year and beyond, particularly with the continued development of the young guys coming through, blended well with the experienced guys at the top end. Personally, I will be moving on from the role as head coach, but the team is well placed to see success in the coming years. I wish them every success and look forward to watching from the sidelines.

### Premier League Reserves

Coach: Tim Thompson  
Assistant: Navin Jordan  
Manager: Jorge Gones

A challenging but enjoyable season for the PLR men in 2021. Unfortunately, the stop, start delays due to COVID meant we struggled with consistency through the season.

# Waverley Hockey Club Annual Report | 2021

---

There were plenty of positives, in particular the continued development of the younger players who are well placed to develop into strong senior players. A real focus on exposing the U/16 players to both training and games means they should be ready to make strong contributions to both PLR and PL in 2022.

The relationship and culture within the group was positive through the season, this was led by co-captains Braydon Lyon and Stephen Head but a result of the buy-in by the entire team.

Our best hockey was certainly good enough, unfortunately we struggled to provide this from week to week and within games.

I would like to thank Nav and Jorge for their support, I wish the club and this playing group all the best for the future. I have enjoyed the opportunity to lead this group over recent seasons.

## *Pennant A*

Coach: Matt Barca

Manager: Mitchell Smith

The men's PA team took on a new look to previous seasons so with the teams average age around the 22-year mark.

There was a huge difference between our best and worst hockey and the lack of experience combined with some untimely injuries reflected in our score lines each week.

We were able to run six promising juniors through the team who are hopefully going to contribute to the club for a long time.

Lots to build on moving into 2022. Finding consistency will be the main goal.

## *Pennant E*

Coach: Jason Lyon

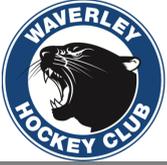

Manager: Nick Glossop

Best and Fairest: Michael Ortleib

Coaches Award: Harrison Gerling

The Pennant E team had a great couple of games for the 2021 season. While we lost our goalie Hamish Sugden to the garden, we gained big Mickey O. Mickey O had a stellar year and was a huge contributor to our defence which was the most miserly on the ladder, again proving it all starts with the boys at the back.

With two guest appearances from Ant Green and one from Wes Moore, the party had well and truly started. Add in the vintage recruit, Hughson Rutledge for the season and there was a great balance between new, old and older.

## Waverley Hockey Club Annual Report | 2021

---

We also had the usual standout moments which have become par for the Pennant E course. Rudi continues to be a goal scoring weapon and great target in the front half. Cries of “calm down, Maca” were heard each week, as was “Transform!!!” for our two favourites Sam McPhillips and Nick Glossop. Young guns Bailey Hunter and Mitch Howe both had great years – Bailey missing the second half of the shortened season due to concussion. Have Trenner’s fingers stopped bleeding yet?

But it was Harrison “Bath Boy” Gerling that stood out during the second half of the year, playing various roles both forward and back with the flair of Boris Johnson and the poise of Joe Biden rolled into one.

Just feels like we were robbed, having played off in the GF in 2019, then having the season of 2020 wiped out, then remaining undefeated throughout 2021 – but to have the season torn away prior to finals but we will gladly take the minor premiership.

Great season boys.

### *Pennant G*

Coach: Chris Castle

Captain/Manager: Andrew Lee

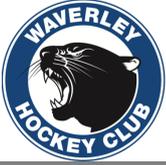

With much enthusiasm heading into the season the team set a game plan which we stuck to throughout the interrupted season. The first few games the team struggled to stick to the structure and take advantage of the opportunities. As always the defence remained strong and worked on moving the ball around the back. The scores did not represent the closeness of the games and the team kept to the game plan despite the inconsistent results. For the first time in many years, the team was blessed with a full bench bolstered by a number of new players to Waverley who quickly integrated into the team on and off the field.

Unfortunately, the season was cut short just as the team started to gel together and get some wins on the board. We are looking forward to 2022 and using Summer hockey to play together and keep our team spirit building.

### *Metro B South-East*

Coach: Dwayne Rabel

The 2021 Metro team had a great squad of experience and upcoming junior talent. Highlights included so many juniors making their panthers’ seniors’ debut, the return to the club of two junior players to play seniors hockey and the father and son and brothers’ combinations that took the field. The juniors can be very proud of their performances against experienced opposition. They showed a lot of skill and class. Of the games we drew or lost we often led in those games and then got over run. There's a lesson there in playing consistent hockey and playing out games. These young players will come back better next season for the experience. It was a pleasure to lead such a committed and enthusiastic team of Panthers.

## Midweek Open A

Coach/Manager: Rodney Mackintosh

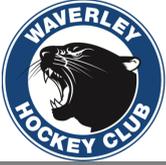

In what turned out to be mostly the old, successful Masters 35A team from 2019, it was with great trepidation we rolled into the first game, not knowing what the standard of competition we would find in the new Open grade. Fortunately, it turned out to be mostly the “old guys” coming back to play mid-week, with a spattering of younger, speedier “kids” to show off with their fresh hamstrings. Unfortunately, many teams from the old competition had withdrawn or downgraded themselves, leaving a dearth of opposition. In the first iteration of the season, we had only five other teams to play in a semi-regular rotation. The team started very well, securing wins and, more importantly, filling our social cup every Monday night. About mid-season, more teams withdrew from the A and B Grades, forcing HV into merging the competitions. This was a cause of great concern, with some teams looking very handy (read young and skilful) on paper. The last lockdown denied the world of a much-anticipated showdown between the two undefeated sides, Waverley from A Grade and the Melbourne Sikhs from B Grade. Finishing the abridged season at the top of the ladder was a highlight, although playing for a flag would have been preferred. We’ll take Minor Premiers, official or not.

## Midweek Open C

Captain/Manager: Andrew Lee

Heading into the winter season we did not know what to expect in this newly formed comp. First game in and we knew it was going to be a high standard with no easy wins. The team was formed a from a mix of the Masters and weekend comps providing a good blend of experience and youth. The season had a mix of wins and losses with the former coming from strong structured play to create opportunities and converting them into goals. Monday home games were typically celebrated by some pies and sausage rolls with the accompanying drink and the post-game analysis.

**Geoff Greaves**  
**Men’s Unit President**

## Women's Unit Report

While we weren't able to play as many games as we would have liked in 2021, we sure did enjoy the part of the season that we could play.

Firstly, I would like to give a big thank you to all of our women's unit members – 2021 was a tough year for hockey with lots of stopping and starting, lots of rule changes and lots of uncertainty. All of our players and supporters were so wonderful and understanding through this challenging year so I just wanted to acknowledge and thank everyone for that! You're all incredible!

Our main focus this year as a women's unit was to just get back out on the field and play as much hockey as we possibly could.

We started this year by running another successful WHIP programme. This year focussed on offering three levels of training – one group for new players, one group for players who were returning to hockey after taking some time off and one group for current players who were wanting to improve their skills. This was a successful programme and a great start to 2021.

A big thank you to the members of the women's sub-committee, who have done another wonderful job at ensuring the season ran as smoothly as it possibly could.

### **2021 Women's Unit Committee Members.**

- Ally Rake-Bolt as President of the Women's Unit.  
2021 was Ally's sixth year on the Women's Committee.
- Diana Hansen as Vice-President of the Women's Unit  
2021 was Diana's sixth year on the Women's Committee.
- Erica Zhou stayed on-board as a general member, specialising in communications and the WHIP program. 2021 was Erica's fifth year on the Women's Committee.
- Emma Wong stayed on-board as a general member, specialising as our Hockey Victoria liaison. 2021 was Emma's fifth year on the Women's Committee.

### **Key non-committee positions, who were essential for the running of our unit include:**

- Rebecca Thompson and Christine Johnstone as our Premier League coaches.  
Lisa Ryan as team manager for this team.
- Colleen McCormack and Melanie Koelmeyer as our Premier League Reserves coaches.  
Craig Batten as team manager for this team.
- Carly Eastman as our Pennant A coach.  
Matt Johnstone as team manager for this team.
- So Immura as our Pennant B coach.  
Cath Ortlieb as team manager for this team.
- Lucas Gonez as our Pennant E coach.  
Anouk Von Borstel and Bridget Drum as team managers for this team.
- Matt Sturgeon & Lashan Haran as our Metro B coaches and team managers.

Our numbers dwindled a little bit following on from a very challenging 2020 season. Despite this, we were able to field a metro team this year which was really important to us and I am so thankful to our metro players for their persistence and patience – some weeks we struggled to field a team, but always managed to pull through. This was done with some great help from our junior girls who were keen to give women's hockey a crack. Thank you to everyone involved in the metro team.

I would like to give a big shout out and thank-you to Di Hansen, who again handled the response to the COVID-19 situation not only for the women's unit, but for the whole club. Di worked tirelessly to make sure we had all of the correct procedures and policies in place to ensure we could all play as much hockey as we possibly could. Di's work still continues as we head into the reopening stages of COVID and start to plan our 2022 preseason. Big, big thank you to Di for your amazing work, we all appreciate it!

## **2021 Women's Unit Award:**

The 2021 Women's Unit Award goes to a person who has put in a lot of time and effort, not only this year, but for many years. This person has coached in the women's unit since 2015, and for a majority of that time, has managed played his own hockey as well. The award goes to So Imamura, not only for your hard work this season, but for you hard work across a number of seasons.

You have been a wonderful support to both myself and the women's committee but also to the large number of players you have coached and developed throughout your time with the women's unit. You always have such a fun and positive attitude and it doesn't go unnoticed.

Thank you for all of your hard work, it is greatly appreciated. Congratulations So!

## **Team Reports**

### Premier League

Coach: Rebecca Thompson

Assistant Coach: Christine Johnstone

Team Manager: Lisa Ryan

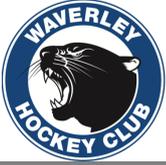

Waverley Women's PL started the year excited and motivated after the disappointment of the 2020 season being cancelled, winning the 1st game of the year was a great start and always a little nerve racking being a home game.

Only managing 10 games for the interrupted season, with 5 wins, 4 losses and 1 draw. George and I couldn't be happier with the girls and the way they played out the year with positive attitude and commitment to a season that was affected again by COVID. The future of the women's unit is looking very strong and it is a pleasure to work with these talented Ladies.

Thanks so much to all the Women's coaches for the year for all the support throughout the season it was a pleasure to work with you all, also a big thank you to the women's committee for their support and guidance and a special thanks to Ally for being such a great Women's President.

Lastly, I would like to say to thanks my team Manager Lisa for all her hard work and support. Finally, to my assistant coach George who is leaving us to head to sunny Queensland, I am going to miss you so much and I don't know how I am going to do this without you!

Report by Rebecca Thompson

## Premier League Reserves

Coach: Colleen McCormack

Assistant Coach: Melanie Koelmeyer

Team Manager: Craig Batten

In season 2021 we had 27 players participate in our team with only 4 players remaining from pre-COVID days. We were a tight combination that included juniors experiencing and sustaining their first foray into full time senior hockey, some welcome new recruits to WHC and of course our established Club players who had already experienced hockey at PLR level.

Can I firstly take the opportunity to thank Ally and her Committee for their hard work and diligence in ensuring that our health and safety were first and foremost this season. In unprecedented times, we always felt safe and cared for – no small task when decisions could have been unpopular and controversial. Thanks also to Di for empowering us with knowledge around COVID safe protocols that ensured we followed best practice. Big thanks to Mel for her time and expertise in supporting us with her unique brand of enthusiasm and dedication to getting the small things right.

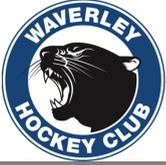

Also, a big shout out to Craig for his role as Team Manager - another gem who gave so much more to us than being responsible for the administrative parts that our competition requires. A very heartfelt thank you from me to you all.

This season saw new combinations of players take the pitch each and every week which highlighted the flexibility and resilience of this playing group; always keen to be their best for our team and our Club. Season 2021 was a huge learning curve for many who happily tried new field positions as well as collectively trying new structures on the pitch. Camaraderie was high and the connection between players palpable. The effort shown in both pre-season and the season proper highlighted the girls' commitment to improving their individual skills whilst developing a strong team ethos.

We were competitive in every game and played our best hockey against stronger opposition. We showed we could withstand enormous pressure across the field and also provide flashes of brilliance in front of goals at both ends of the pitch. Our midfield was our work engine and churned through many kilometres week after week. Many individual successes were shared by the team as we celebrated a new skill mastered, or a new set play working – evidence that these skills had transferred successfully from weeks of training and preparation to a game situation.

Our success this year was demonstrated far away from the collection of points on the ladder. Once again, opposition coaches sought us out to offer compliments on the spirit and tenacity we brought to the game and our commitment to fair play. The success of WPLR this season lies squarely in the growth we displayed both individually and as a team, in the dedication we showed, and in the enduring connectedness we sustained through a very challenging time. The Club should be excited for its future with this playing group and proud of all they have achieved.

Report by Colleen McCormack

## *Pennant A*

Coach: Carly Eastman

Team Manager: Matt Johnstone

Waverley Women's 3rds started the year pretty excited and ready to play after a year off. First game we had a loss to Hawthorn but thankfully no injuries.

At the conclusion of the abrupt end to the season we were sitting 2nd on the ladder.

Once again, we had a good mix of experience and youth, including a mother daughter combo.

I'd like to thank Matt for being team manager.

Report by Carly Eastman.

## *Pennant B*

Coach: So Imamura

Team Manager: Cath Ortlieb

Pennant B started off the season strong, even though we were still getting to know each other's playing style. We had great team spirit and great perseverance through what was a very hard season, this helped us get a some draws and by the end of the season.

I'd like to thank Cath for managing the team and Mike for assisting with all of the training sessions and sharing his hockey wisdom with us all.

Report by So Imamura

## *Pennant E*

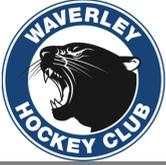

Coach: Lucas Gonez

Team Manager: Anouk Von Borstel & Bridget Drum

After a year without being at the hockey grounds, Pennant E came together as the "just right" mixture of experience and youth that could not stop delivering great results throughout 2021 the season. With an initial team of 14 players, we struggled for a few rounds to get a regular goalkeeper, until Charlotte came along to complete the squad.

From the beginning we focused on working on a solid structure, setting up a strong press and not being afraid of stepping out of our comfort zone to try new things that we learnt at training. With consistent work and always sticking to our game plan, we soon develop a brand of hockey that played to our strengths and capitalized on our trust in each other and a second to none team effort.

Various injuries made some rounds challenging to have a full squad and on occasions we managed to pull out a victory even playing without a bench and with the good will and dedication of our players that never hesitated to play in any position that was required. We only lost 1 game and drew another one, while the rest of the rounds were all consistent wins. For most of the season, we were second on the ladder at a one-point difference from our archrivals TEM, until we met them for the second time in round 11 at Hedley Hull, where we got a fantastic win that crowned our efforts throughout the season and placed us on top of the Pennant E ladder. Sadly, due to lockdowns in response to the

## Waverley Hockey Club Annual Report | 2021

---

COVID-19 pandemic the season was abandoned after that round, and we could not complete our main goal of becoming premiers and earning the promotion to Pennant D.

Despite having a challenging season, with many disruptions and restrictions the group always stuck strong and stayed together. The connection between the ladies and the trust in their coach was inspiring. A wonderful and strong performance by the 2021 Women's Pennant E team.

Report by Lucas Gonez

### Metro B

Coach: Matt Sturgeon & Lashan Haran  
Team Manager: Matt Sturgeon

It was a very positive season for Metro B with lots of growth and improvement. The team bonded well despite having players of many different ages. It was great to see the participation of juniors, some as young as 12, giving seniors a good crack. They were essential to our performance and had plenty of great mentors in the more experienced players.

Some highlights:

- There were several matches where the team played to the final whistle and got a late goal, they showed great determination in every game.
- Training attendance was high every week and feedback on training was positive.
- Grace Carter did an amazing job as our goalkeeper, she had many other hockey commitments and made the difference in many games.
- Kylie Balmain showed incredible improvement over the course of the season, very new to hockey, we found her best position to be up forward and she scored several goals for us.

Report by Matt Sturgeon

**Ally Rake-Bolt**  
**Women's Unit President**

## Historical Committee

2021 was another challenging year for the Waverley Hockey Club Historical Committee attempting (for the second year running) to organise the 60th reunion. Two planned dates, one in March and the other in August almost came to fruition, however, COVID again caused us to postpone. It should be noted that on both occasions Colin Batch had committed to attend around his Australian Coaching commitments and was very much looking forward to reconnecting with Waverley team mates, current players and supporters. In addition to the 60<sup>th</sup> reunion Craig Fairbrother undertook an enormous effort to contact and communicate with the team who won the State League One premiership over 20 years prior, and all teammates were excited to attend.

In consultation with the WHC Executive committee, we are now aiming for a 65th Waverley Hockey club reunion. It's not really the number of years that matters but really, it's about getting the past fabric of the Club together to reminisce about the old days, the goals that went in or out, premierships won and lost, rekindle the memories of days gone by and how hockey is shaped their lives.

Despite Covid significantly impacting our ability to plan events the Historical Committee continues in its aim to keep the old members together. We did manage to have a Life Members function for the Bert Batch cup at Camberwell with a number in attendance to enjoy a sandwich and drink. Those who attended also discussed the many people who have contributed to the Club over many years (beyond the Life Members) and the decision was made that for future luncheons / events we will invite a broader range of people. And with that the *Panther Pride* was born. Panther Pride is the name we have given the wonderful group of current and past members, supporters, family and friends who continue to support Waverley Hockey Club.

Some ways to stay connected to the Club are listed below.

- Historical Committee contact: Bronwyn Maddock via [whchistorical@gmail.com](mailto:whchistorical@gmail.com)
- Newsletter - If you would like to receive the Waverley Hockey Club newsletter updates, sign up here: <https://waverleyhc.org.au/subscribe/>
- Website – <https://waverleyhc.org.au/news/>
- Link to Club fundraising page: <https://waverleyhc.org.au/fundraising/>
- Follow the club via Facebook – <https://www.facebook.com/waverleyhc>

We are always keen to reconnect with past members, supporters, family and friends so please do share contact details for anyone else you believe should be included in the *Panther Pride*.

***Bronwyn Maddock, Chair - Historical Committee***

## Junior Unit Report

On the back of a 2020 season that never got started, we were hoping for a full year of hockey in 2021 to get the kids back out doing what they love again.

The year got off to a great start in February with Indoor Club championships being held. Waverley were well represented in junior competitions, fielding boys' and girls' teams in all age groups. The results confirmed Waverley's standing as a power club in the Indoor hockey scene:

- Under 13 Boys – Gold Medallists
- Under 13 Girls – Gold Medallists
- Under 15 Boys – Gold Medallists
- Under 15 Girls – 5<sup>TH</sup> place
- Under 18 Boys – 4<sup>th</sup> place
- Under 18 Girls – Gold Medallists

As you can see it was an outstanding effort from all of our teams.

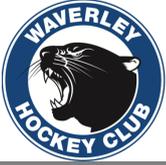

Our attention then shifted to the 2021 Winter season. Prior to the Indoor Club championships, we ran another successful Academy during February on Friday nights. Neil Robertson was the head coach. We had many other highly credentialed volunteer coaches helping too. More than 70 kids participated over the 5-week program. It was clear to see the great improvement of all players participating.

2021 again saw Waverley with teams across all levels, including Shield A grade teams in all available competitions. The Junior Unit had 156 players registered in 2021 and entered 12 teams in the U10, U12, U14 and U16 age groups across all levels; Shield, Pennant, District and half field. Of the 156 players 55 players were female and 101 players were male. In addition, 57 players (26 female, 31 male) joined our Hookin2Hockey program.

The winter season was a stop start affair again as several lockdowns were enforced. We managed to get 8 rounds played in juniors before COVID shut down the season again! We received disappointing news on September 7, 2021 when the winter season was officially abandoned.

National Championships were held in April for under 18's and under 15's. Under 13 Nationals and SSA tournaments were cancelled. Waverley players selected to play for Victoria in 2021 were:

Waverley 2021 State Representatives	
<b>Under 15 Girls</b>	<b>Under 15 Boys</b>
Zizi Pozzebon	Daniel Adams
Bianca Zurrer	Ben Poppenbeek
<b>Under 18 Girls</b>	<b>Under 18 Boys</b>
Dacia Koelmeyer (National futures squad)	Will Hine
Evie Stansby	Oliver Thompson
Aurelienne Pywell	Anthony Young
Abbey Ryan	BJ Graven (Train on)
Jemma Ryan	

A MASSIVE thank you to the Junior Committee, Age Group Co-Ordinator's, Team managers and Coaches for all of their hard work on a volunteer basis. The stop start nature of the last two seasons has been very draining on all concerned at the club. Waverley Hockey Club only runs because of volunteers and these people are all hugely dedicated putting in their time and passion for our kids and the sport of hockey. We cannot thank this group enough for their support, and I hope our members appreciate the huge value these volunteers bring for all of our benefit.

2021 saw some changes to the Junior Committee. After 8 years of loyal service, Lisa Ryan retired from the junior committee to be a spectator of her now senior daughters. Junior President Nikki Gerling was seconded to become Club President which was a big loss for the Junior Committee. Simon Lamb also retired from the junior committee after five years of great service.

The 2021 Junior Committee consisted of:

- Nick Gerling, his fifth year as a Committee member, as Registrar, the “master of data” making the committee’s lives easier, (as well as fulfilling the Registrar and finance management roles for the Senior unit and whole of club activities for the third year).
- Brett Thompson, his fourth year as a Committee member, fulfilling the role of Hockey Victoria Liaison, WHC Academy Co-ordinator, Indoor Club championships co-ordinator and Coaching co-ordinator.
- Melanie Koelmeyer joined the Committee as Secretary this year. Following many years as an Age group co-ordinator and coach, it was great to have her on the committee. Without a Junior President this year much of the heavy lifting and general organisation was done by Mel.
- Drew Ashton stepped down as Club President this year and we were lucky enough to bring him onto the Junior Committee. He was a fantastic asset working with the school programs, Hook into Hockey and the under 10 transition programs.

Key non-committee positions continued to play a key role with a wonderful team of coaches and team managers. Other key people working across the junior unit included Caley Manzie and Drew Ashton running the “New to Hockey” programs portfolio, Lauren Shelton (U10 Co-ordinator), Kylie Balmain (U12 Co-ordinator), Clint Miranda (U14 Co-ordinator), Paula Witkowski (U16 Co-ordinator), Graham Parkin (Roster Co-Ordinator), Lucas Gonez (Roadshow Co-ordinator), Mike Brooks (Umpire Co-ordinator).

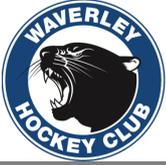

With another incomplete season, there was no Presentation night in 2021, however the Executive acknowledge the efforts of all the volunteers who supported the Junior Unit, and in particular:

[Junior Unit Club person of the Year:](#) Julius Gottstein

[Most significant contribution by a parent:](#) Wes Moore

[Most significant contribution by a senior:](#) Lucas Gonez

***Brett Thompson  
on behalf of the Junior Unit***

## Financial Report for the year ended 30 September 2021

The following pages provide the financial statements for the Waverley Hockey Club for the year ended 30 September 2021. The club financial position was impacted by the COVID-19, with reduced revenues from non-membership fees. However due to one of reversals from prior years, donations and strong member base the impact to the financial position was minimal this financial year. The club made net profits of \$23,197. Continued future profits is required to fund the future works including the dug outs and the new ground.

The significant items within the financial statements are:

### Profit & Loss Statement

The profit for the year is \$23,197 compared to a loss of \$19,625 in 2019. The major contributors in the profit are:

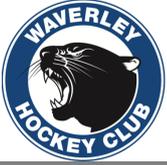

- Current year membership fees include one of reversals of prior year accrual of refunds. In 2020, the club anticipated higher refund of membership fees due to cancellation of the games. However, many members have foregone the 2020 fees contributing to current year's profit of ~\$25k. We thank the members for the continued support
- Donations for Dug outs \$9k and Grants of \$6k for COVID cleaning and from Bendigo Bank helped the club's financial position.
- Increase in provision for doubtful debts by \$17k due to higher amount of outstanding's at the end of financial year. It has been a continued struggle for the club to collect the membership fees, which is vital for the financial stability of the club.

### Balance Sheet

- The Debtors balances which mainly include membership fees for current and prior years is at \$55,805 with nearly 50% of the balances provided for doubtful debts. It's imperative that the club collect the membership fees in order to keep the current level of fees and the future financial stability of the club.
- The repayments of the Bendigo Bank loan were initiated during the year after continued moratorium during the prior year. The loan has reduced by \$18,725.

The following pages provide the detailed financial statements and the audit report of the club

Waverley Hockey Club Incorporated  
Annual Report for the year ended 30 September 2021

## Committees' Report

Your committee members submit the financial report of Waverley Hockey Club Incorporated for the financial year ended 30 September 2021.

### Principal Activity

Waverley Hockey Club is a community based club that provides members of all ages with a competitive, inclusive and safe environment to further their participation in hockey from social to elite levels.

### Significant Changes

There have been no significant changes in the nature of these activities during the year but COVID-19 has heavily impacted the volume of activities the association provided.

### Operating Result

The result of the association for the year ended 30 September 2021 amounted to a surplus of \$23,197 (2020 deficit: \$19,625).

### Going concern

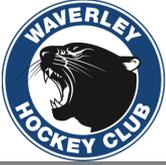

This financial report has been prepared on a going concern basis which contemplates continuity of normal business activities and the realisation of assets and settlements of liabilities in the ordinary course of business. The ability of the association to continue to operate as a going concern is dependent upon the ability of the association to generate sufficient cashflows from operations to meet its liabilities. The members of the association believe that the going concern assumption is appropriate.

Signed in accordance with a resolution of the Members of the Committee:

Annual Report for the year ended 30 September 2021

## Notes to the Financial Statements

### 1. Accounting Policies

#### (a) Statement of compliance

The committee has determined that the incorporated association is not a reporting entity because there are no users dependent on general purpose financial statements. The financial report is a special purpose financial report which has been prepared in order to satisfy the financial reporting requirements of the *Associations Incorporation Reform Act 2012*.

These financial statements have been prepared in accordance with the recognition and measurement requirements of the Australian Accounting Standards and Accounting Interpretations, and the disclosure requirements of:

AASB 101	<i>Presentation of Financial Statements</i>
AASB 107	<i>Statement of Cash Flows</i>
AASB 108	<i>Accounting Policies, Change in Accounting Estimates &amp; Errors</i>
AASB 1031	<i>Materiality</i>
AASB 1048	<i>Interpretation of Standards</i>
AASB 1054	<i>Australian Additional Disclosures</i>

#### (b) Basis of measurement

The financial report has been prepared on an accrual basis and is based on historical costs and does not take into account changing money values, or, except where stated specifically, current valuations of non-current assets.

The following is a summary of the material accounting policies adopted by the association in the preparation of the financial report. The Accounting policies have been consistently applied, unless otherwise stated.

#### (c) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less.

#### (d) Inventories

Inventories are measured at the lower of cost and net realisable value.

Waverley Hockey Club Incorporated  
Annual Report for the year ended 30 September 2021

## Notes to the Financial Statements (continued)

### (e) Property, plant and equipment

#### Leasehold Improvements - Property

Leasehold improvement buildings are measured at cost less accumulated amortisation. The property improvements are amortised over their useful lives.

#### Plant and equipment

Plant and equipment are measured on the cost basis, less depreciation and impairment losses. Cost includes expenditure that is directly attributable to the asset.

#### Depreciation

The depreciable amount of all fixed assets including leasehold improvement buildings, is depreciated on a straight - line basis over their useful lives to the association commencing from the time the asset is held ready for use.

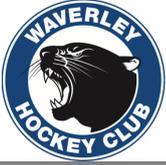

The depreciation rates used for each asset of depreciable assets are:

Plant and Equipment	20%
Furniture & Fittings	20%
Clubhouse	5%
Synthetic ground	6.67%

The asset's residual values and useful lives are reviewed, and adjusted if appropriate, at each balance date.

### (f) Impairment of non-financial assets

At the end of each reporting year, the association reviews the carrying values of its tangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less cost to sell and value in use, is compared to the asset's carrying value.

# Waverley Hockey Club Annual Report | 2021

Waverley Hockey Club Incorporated  
Annual Report for the year ended 30 September 2021

## Notes to the Financial Statements (continued)

Any excess of the asset's carrying value over its recoverable amount is expensed to the statement of income and expenditure and other comprehensive income.

### (g) Financial assets

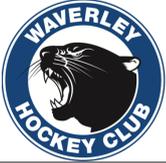

Investments held are originally recognised at cost, which includes transaction costs. They are subsequently measured at fair value which is equivalent to their market bid price at the end of the reporting period.

Held - to - maturity investments

These investments have fixed maturities, and it is the association's intention to hold these investments to maturity. Any held-to-maturity investments held by the association are stated at amortised cost using the effective interest rate method.

### (h) Revenue

- Revenue from the sale of goods is recognised upon the delivery of goods to customers.
- Revenue from the rendering of services is recognised upon the delivery of the services to customers.
- Revenue from interest is recognised using the effective interest rate method.
- Other revenue is recognised when the right to receive the revenue has been established.
- Grant income and donation income is recognised when the association obtains control over the funds, which is generally at the time of receipt. If conditions are attached to the grant that must be satisfied before the association is eligible to receive the contribution, recognition of the grant as revenue will be deferred until those conditions are met.
- Sponsorship revenue is recognised over the period to which the sponsorship relates as specified by the sponsorship agreement. Amounts received in advance of the sponsorship period or event are recognised as income in advance.
- All revenue is stated net of the amount of goods and services tax (GST).

# Waverley Hockey Club Annual Report | 2021

---

Waverley Hockey Club Incorporated  
Annual Report for the year ended 30 September 2021

## Notes to the Financial Statements (continued)

**(i) Goods and Services Tax (GST)**

Revenue, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). Receivables and payable are stated inclusive of GST.

**(j) Income tax**

The Association is exempt from income tax under Division 50 of the *Income Tax Assessment Act 1997*.

**(k) Borrowing costs**

All borrowing costs are recognised as an expense in the period in which they are incurred.

**(l) Comparatives**

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

## Statement by Members of the Committee

The committee has determined that the association is not a reporting entity.

The committee has determined that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 1 to the financial statements.

In the opinion of the committee the financial report as set out on pages 3 - 17:

1. Presents a true and fair view of the financial position of Waverley Hockey Club Incorporated as at 30 September 2021 and its performance for the year ended on that date.
2. At the date of this statement, there are reasonable grounds to believe that Waverley Hockey Club Incorporated will be able to pay its debts as and when they fall due.

This statement is made in accordance with a resolution of the Committee and is signed for and on behalf of the Committee by:

Committee member: Nikki Gerling, President  .....

Committee member: Mrudula Rao, Treasurer  .....

## INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF WAVERLEY HOCKEY CLUB INCORPORATED

### Report on the Audit of the Financial Report

#### Opinion

We have audited the financial report of The Waverley Hockey Club Incorporated (the Association), which comprises the statement of financial position as at 30 September 2021, the statement of income and expenditure & other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and the certification by members of the committee on the annual statements giving a true and fair view of the financial position and performance of the association.

In our opinion, the accompanying financial report presents fairly, in all materials respects, the financial position of the association as at 30 September 2021, and its financial performance and its cash flows for the year then ended in accordance with the accounting policies described in Note 1 to the financial statements and of the *Victorian Associations Incorporation Reform Act 2012*.

#### Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the association in accordance with the ethical requirements of the Accounting Professional & Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Emphasis of Matter - Basis of Accounting

We draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared to assist the association to meet the requirements of the *Victorian Associations Incorporation Reform Act 2012*. As a result, the financial report may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

#### Responsibilities of the Committee for the Financial Report

The committee is responsible for the preparation and fair presentation of the financial report in accordance with the financial reporting requirements of the *Victorian Associations Incorporation Reform Act 2012* and for such internal control as the committee determines is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the committee is responsible for assessing the association's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the committee either intends to liquidate the association or to cease operations, or has no realistic alternative but to do so.

*Liability Limited by a Scheme approved under Professional Standard Legislation.*

## **Auditor's Responsibilities for the Audit of the Financial Report**

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with Australian Auditing Standards, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatements of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from error, as fraud may involve collusion, forgery, and internal omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of committee's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
